Courses on front-end and back-end technologies to become a full stack web developer. Languages learned include HTML5, CSS3, JavaScript, jQuery, Bootstrap, Express.js, React.js, Node.js, Bookshelf.js, MongoDB, MySQL, Command Line, Git.

WORK EXPERIENCE

Interpreter/Quality Control Coach
Seattle Mariners – Peoria, AZ

Oct 2018 – Sep 2019

Served as an interpreter for pitcher Jing-Yu Chang. Created scouting reports for opposing teams before every game as well as post game reports for pitchers and hitters. Assisted in Data Collection using equipment such as Trackman, Rapsodo, K Vest, Blast Motion, BATs, Edgertronic. Helped facilitate communication between players and coaches on collected metrics. Also, gave input on which player should be promoted based on game statistics.

Marketing Director

Jun 2017 – May 2018

Whitman College Events Board – Walla Walla, WA

Served as the Marketing Director for Whitman Events promoting campus concerts, guest speakers etc. Created even pages, posters, social media, and videos to promote events. Used feedback from previous events combined with our budget to create better ways to promote events.

Misho Sports – Bellevue, WA
Store Manager

2012 - Present

Cashiered, stocked, took inventory for baseball and softball sporting goods store. Answered questions and provided advice on the best equipment for customers. Did cost price analysis and strategies such as discounts and packages to promote better profits and sales.

LEADERSHIP

Bleeding Blue and Gold Award

Jun 2017 – May 2018

Whitman Athletics - Walla Walla, WA

Award given to a senior who is injured and unable to compete during a significant portion of their senior year but remained a major contribution their senior year.

ACE Mentor

Jun 2017 – May 2018

Walla Walla, WA

Visited disadvantaged youth at a local elementary school every week. Taught them the importance of being respectful and polite by spending time with them during recess.

Coaching Youth Baseball

2012 - 2018

Little League - Bellevue, WA / Walla Walla, WA

Taught local children the fundamentals of baseball and developed their hitting, fielding and pitching skills.
